

# 2028 EURO CUP — MATCH SCHEDULE

England · Republic of Ireland · Scotland · Wales | 9 June – 9 July 2028

|                           |             |               |                  |               |                          |
|---------------------------|-------------|---------------|------------------|---------------|--------------------------|
| OPENING<br>9 Jun, Cardiff | TEAMS<br>24 | MATCHES<br>51 | HOST CITIES<br>8 | STADIUMS<br>9 | FINAL<br>Wembley, London |
|---------------------------|-------------|---------------|------------------|---------------|--------------------------|

Official schedule confirmed on 12 November 2025. Team names are not yet known — positions (A1, B2, etc.) show a team's finishing spot in its group, to be filled in after the 2027 European Qualifiers and Final Draw. Confirmed kick-off slots: 15:00 / 18:00 / 21:00 CEST (Final: 18:00 CEST / 17:00 local, Wembley).

Host nations: Wales, Republic of Ireland and Scotland play all 3 group games at one arena if qualified (Cardiff, Dublin and Glasgow respectively). England is the exception — game 1 at Manchester, games 2 & 3 at Wembley. Hosts are not automatically at the tournament: only the two best-ranked hosts that miss direct qualification get a reserved spot; if more than two hosts fail to qualify, the rest must go through play-offs like any other team.

|                                               |                                                          |                                              |

## GROUP STAGE — BY GROUP

Each group's three matchdays, in kick-off order. \* Wales (A1), England (B1), Republic of Ireland (E1) and Scotland (F1) are shown as an assumed placeholder for their reserved group-head slot — hosts are not automatically qualified and this is not yet confirmed.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
